

# LEARN2LEAD

**Learn2Lead** is a training course based in local churches to prepare people for leadership in the church. It aims to equip members of the congregation with the skills they need to move into leadership.

- Ready-made training package with tutor support
- Bible-centred throughout
- Tried, tested and refined over many years
- Trains students in vital areas of ministry
- Provides a natural lead in to other areas of training

## Who is it for?

Any leader or potential leader, perhaps someone who will become a leader in the next five years. Examples could include:

- Home group leader
- Youth leader
- Sunday School leader
- Elder
- Deacon
- Specialist group leader (women's group, old people, students)

# How does it work?

**Learn2Lead** has five tracks.

1. Understanding the Bible,
2. Understanding Doctrine,
3. Understanding Leadership,
4. Leadership in Practice 1
5. Leadership in Practice 2

Each track contains 10 units and leader's notes for all 5 tracks are contained within the comprehensive Tutor Manual.

There are three ways of using **Learn2Lead**:

1. Two-year leadership programme – a group meets regularly with a tutor (often a pastor) to work through all five tracks.
2. Pick and mix – pastors pick whichever track suits the needs of their congregation.
3. Individual Study – individuals can choose to work through tracks on their own.
